

NHS Test and Trace consent form for COVID-19 testing

This common consent form has been designed for use by parents and guardians of learners who have been risk assessed as not being able to independently consent. Underlined sections should be read as applicable and completed as follows:

- **For learners who cannot independently consent** - this form must be completed by the parent or legal guardian. Please complete one consent form for each child you wish to enrol.
- **Learners who can independently consent** can complete this form themselves, having discussed participation with their parent / guardian if under 18.
- **Staff** will complete this form themselves.

1. I have had the opportunity to consider the information provided by the school/college about the testing, ask questions and have had these answered satisfactorily, based on the information presented in the letter dated 4th January 2021.
2. In the case of under 16s, or for learners who cannot independently consent I have discussed the testing with my child and my child is happy to participate. If on the day of testing they do not wish to take part, then they will not be made to do so, and consent can be withdrawn at any time ahead of the test.
3. I consent to having / my child having a nose and throat swab for a lateral flow test.
4. I consent that my / my child's sample(s) will be tested for the presence of COVID-19.
5. I understand that if my child / my result(s) are negative on the lateral flow test I will not be contacted by the college except where they/you are a close contact of a confirmed positive.
6. If the lateral flow test indicates the presence of COVID-19, I understand I will need to support my child to have a nose and throat swab for confirmatory PCR testing, which shall be sourced external to the college.
7. I consent that I / they will need to self-isolate following a positive lateral flow test result, until the results of the confirmatory PCR have been received.
8. I agree that if my / my child's test results are confirmed to be positive from this PCR test, I will report this to the college and I understand that I/ my child will be required to self-isolate following public health advice.

9. I consent that if a close contact of my child tests positive, but I / my child has tested negative, I / they will continue to attend college but will be tested every day at college for 7 days.
