

4th January 2021

Dear Learners and Parent/Carers

Following the Government's announcement regarding changes to re-opening plans for schools and colleges, I wish to inform you of our plans from 4 January 2021.

Learners should attend college as planned from the 6th January 2021, providing they are well, have not tested positive for COVID 19 and are not demonstrating any symptoms.

Covid-19 testing will be available from 6th January at all sites for staff and learners.

For learners who live in tier 4 and are considered '**clinically extremely vulnerable**,' you are asked to remain at home and we will conduct online learning with you.

Learners, Parent/carers will be contacted by Personal Tutors on Monday 4th January to communicate arrangement specific to your son/daughter.

Learners / Parents / Carers with any urgent concerns should contact their tutor or email the college at info@landmarks.ac.uk.

Further information will be posted online and communicated as appropriate.

Our first priority remains the health, safety and wellbeing of everyone in our college community, therefore, thank you for your continued support as we adapt our arrangements to accommodate the changes announced.

Wishing you all a happy New Year.

Larry Brocklesby,

Principal
