

THE ARCHER

A unique community public house run and operated by Landmarks and its learners for learners who want to develop the skills necessary to secure jobs in the bar and restaurant trade.

Unlike traditional hospitality and catering courses at college, learners spend 100% of their time at The Archer running a real pub and engaging with customers and colleagues.

WHY CHOOSE US?

Landmarks Specialist College has a curriculum that is engineered to meet the longer-term needs of our learners. It is not just about the journey, but the destination and as a learner of Landmarks, you will be supported to develop the skills you need to lead the adult life you want. 'Managers have ensured that study programmes are carefully designed to meet the needs of each learner'. (Ofsted 2018)

Studying at The Archer, you will work behind the bar and in the kitchen, until you decide if you'd like to specialise. Then you will be supported to do the real work required of a working pub and have the opportunity to work different shifts so that you get a real understanding of what it is like working in this trade.
