

What happens if I tell staff I'm worried or unsafe?

	<p>If you ever feel worried, scared or unsafe, you should tell a member of staff.</p>
	<p>It can be hard to tell staff about things that are happening.</p>
	<p>Things could be happening at home, college, or online</p>
	<p>You might worry about what will happen after you have told someone</p>
	<p>This will explain how we will help.</p>
<p>Step 1</p>	
	<p>You have done the right thing by talking to staff. We will take you seriously and do our best to help you.</p>
	<p>Staff will ask you what you want to happen next.</p>
	<p>Your choices are important.</p>

Step 2	
	<p>We will need to tell someone in the safeguarding team (look for the yellow posters around the college).</p>

Step 3	
	<p>We might need to tell other staff members, like your personal tutor, so that they can help you.</p>
	<p>We might be able to put a plan in place at college that will help you feel happy and safe</p>
<p>OR</p>	
 	<p>We might have to tell</p> <ul style="list-style-type: none"> • Social care • The police • Your parents or carers (if you are over 18, we won't call your parents or carers unless you want us to) <p>We will tell you what is happening</p>

Step 4

Staff will check how you are doing.

You can always talk to staff again if you need to talk about anything else.
